

Download E30 Manual Transmission Swap

Courtesy of the guys at www.slidewaysonline.com As always if you have any suggestions for other well put together DIY email me at rytis@rtsauto.com I also ...6.0 engine mounts. Besides various brake assemblies there are perfectly fitting engine mounts for the V8 change in the E30 on my commercial web page on www.300mm.de to buy (engine mount type 5). These can be painted black, or, as in the image on request at an additional cost can be plated (yellow coated) and galvanized. Transmission Crossmember Edit. If you use an E36 transmission (Getrag 250, ZF310, ZF320) or the E30 Getrag 240, you can use the stock manual E30 transmission cross-member. The Bosch Motronic Engine Management system is what controls the ignition, timing and emissions controls of the later-model 3-series cars. As such, it can be considered the brain of the car.
