Nissan 350z in automatic or manual transmission? I'm a new driver on the road. I have the option of a 350z in automatic or in manual Obviously, for new drivers automatic is a lot more convenient, but then again, i've had people tell me "don't get a sports car in automatic. it's a waste" i've never driven manual. and where I... show more I'm a ...Nissan service told me that clutches last at least 100K miles, but if it needs to be replaced or repaired it could run up to \$900. Has anyone had any problems with their clutch on their 350z? Is so, will I be better off buying one with an automatic trans.mx48 wrote:This question is like a talk radio topicIt gets everyone going, some take this seriously, some like to stick the knife in for fun.This topic on my 350z had hundreds of replys. Although mine is a AT, I will have to agree that a MT allows for better corning,(to control your rpm's) and better management of control overall.Today's video we will be comparing the Nissan 370z, Automaic Vs Manual!
