Pay Rates . In the GS system, pay is based on three factors: grade, step, and location. Grades run from 1 to 15 with 15 receiving the highest pay. Your grade is based on education, experience, and position. At the end of every year the federal government determines if, and by how much, the basic pay tables will increase. The increase is calculated based on the annual increase in the Employment Cost Index (ECI). 05.03.2019: Meeting with OSD to MOSC and OSD to Secretary, DoT: GS along with Com.
