The school nurse: her duties and responsibilities Item Preview remove-circle ... Topics School nursing. Publisher Washington, Govt. print. off. Collection library_of_congress; americana. Digitizing sponsor The Library of Congress. Contributor The Library of Congress. Language English. A school nurse is very important to the daily operation of a school. Emergency and non-emergency situations occur that require the attention of a trained professional in the field of nursing. A school nurse has the luxury of performing his or her daily duties in a warm, relaxed environment. The School Nurse: Her Duties and Responsibilities [Taliaferro B 1867 Clark, United States Public Health Service Pu] on Amazon.com. *FREE* shipping on qualifying offers. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Entering in this field requires a nursing degree, either an associate's or a Bachelor of Science and becoming licensed as a registered nurse. With these credentials, a prospective psychiatric nurse is eligible to receive on the job training in a mental health facility or psychiatric hospital. Registered nurse duties vary as per the areas of their expertise.
